Dear Dr. McAllister:

You should have by now received the letter Dr. Stancel sent you last week asking if the Council for Tobacco Research would be able to provide a small amount of support for the 1991 Gordon Research Conference on Hormonal Carcinogenesis. It was just now brought to my attention that I forgot to insert the program outline for this year's meeting. For this I want to apologize and hope that the Council for Tobacco Research will still consider us for any contribution they are able to give to the Conference.

Thank you.

Sincerely,

*Heidemarie Porter*
